

Church in Long Beach

Announcements for Week of September 6, 2020

I. Up-Coming Events / Matters for Prayer

- Recently, 3 FTTA-XB sisters, Jaynee Lee, Briana Urias, and Stacy Kim, have moved into Mark and Nicole's house, so that they could be together while attending the FTTA-Boston extension (virtually) for this Fall term. They would be very happy to get time with the saints here, as their schedule allows. If you are able, comfortable, and willing, please contact Gilma for more information!
- Prayer needed for Oak Glen – Saturday morning a new fire started in Yucaipa near our conference center at Oak Glen. The fire has spread rapidly from 5 acres to now over 400 acres. The conference center is under mandatory evacuation due to the wind pushing the fire closer to our property. The fire is located on the other side of our property from the Apple Fire in July. Please pray for the Lord's protection of the conference center and the nearby area. The Oak Glen village is situated between us and the fire. Our staff and the trainees staying at the property have been evacuated.
- Please visit beseeking.org for daily prayer burdens for North America. Many matters require the church's prayer. These items of prayer are offered as a help to focus and enrich the prayer of the saints and of the churches. They are not meant to be restrictive or exhaustive, nor are they meant to be legally adopted. In the end, it is the Spirit who intercedes for us, in us, and through us according to God and His will. The intercessors' responsibility is to be one spirit with the Lord and one mind with Christ to discharge the inner burden with Spirit-inspired utterances. In light of the current world situation, let us persevere in prayer with a strong spirit.
